

**Associate Professor Joel Dave, MBChB (UCT) PhD (UCT) FCP (SA) Cert Endocrinology (SA)**

A/Prof Joel Dave completed his training as a Physician and Endocrinologist at Groote Schuur Hospital in 2003 and 2006, respectively. He spent 8 years in private practice but maintained his links with Groote Schuur Hospital and the University of Cape Town with an appointment as a *part-time* Senior Specialist and Senior Lecturer in the Division of Endocrinology and Diabetic Medicine. During this time he was actively involved in research leading to the publication of research manuscripts in international journals and was also involved in the examining of undergraduate and postgraduate students. In September 2016 he returned to Groote Schuur Hospital and the University of Cape Town in a *full-time* position as a Senior Specialist in the Division of Endocrinology and Diabetic Medicine. In December 2016 he obtained *ad hominem* promotion to Associate Professor. A/Prof Dave enjoys participating in continuing medical education activities with undergraduate and postgraduate students as well as with other healthcare professionals.
